

Invitation to the Conference

Dear Colleagues,

We are pleased to announce the Biomedical Engineering section of the upcoming Student Scientific and Technical Conference, which will be held on April 19th to 20th 2024 in the Riga Technical University, Kļipsalas iela 6A, Riga LV-1048, Latvia. This conference serves as an invaluable platform for students to showcase their research, discoveries, and projects, exchange ideas, receive feedback from peers and experts, and establish connections within the academic and professional community.

Participation:

Topics of presentations may include but are not limited to:

- Biomedical imaging and signal processing
- Biomaterials and tissue engineering
- Medical device design and innovation
- Biomechanics and rehabilitation engineering
- Healthcare informatics and data analytics
- Micro- and Nano-bioengineering

To participate please fill in the form below:

[Participation form link](#)

Please provide the information before **March 31th, 2024**

Fee – free.

Accommodation – RTU dormitory Integralis, may have limited availability, 32 EUR/night. Please check the option in submission form.

For inquiries, please contact Biomedical Engineering section chairman Marks Gorohovs – marks.gorohovs@rtu.lv.

Looking forward to meet you at conference!

With best regards,

Chair of the section Marks Gorohovs

Scientific supervisor prof. Yuri Dekhtyar
